

Samiksha Koli

B.Tech Computer Science Engineering Student | Full Stack Web Developer
samikshakoli590@gmail.com

PROFILE

Motivated Computer Science Engineering student and aspiring Full Stack Web Developer with hands-on experience building responsive web applications and full-stack projects. Passionate about learning modern technologies, solving problems, and creating user-friendly digital solutions.

EDUCATION

Bachelor of Technology (B.Tech) in Computer Science Engineering

Padmabhushan Vasantiaodada Patil Institute of Technology, Budhagaon, Sangli
DBATU University | Expected Graduation: 2027

TECHNICAL SKILLS

Frontend	HTML, CSS, JavaScript, React
Backend	Node.js, Express.js
Databases	MongoDB, MySQL
Tools	Git, GitHub, VS Code

PROJECTS

NicheLink — MERN stack micro-community platform designed for users to create communities, share posts, and interact with other members.

FreelancerFlow — Full-stack project management tool for freelancers to manage projects, tasks, and invoices.

QuizMaker — Interactive web application that allows users to create and manage quizzes through a simple and user-friendly interface.

EXPERIENCE

Full Stack Web Development Internship / Training

Worked on web development projects using frontend and backend technologies. Developed practical experience with HTML, CSS, JavaScript, React, Node.js, Express, databases, and project development.

CAREER OBJECTIVE

To obtain opportunities where I can apply my software development skills, continue learning modern technologies, and contribute to meaningful web development projects.
